## Additional Backup Information

This action will authorize Travis County to construct Vertex Boulevard and associated water quality and detention facilities in southeast Austin (See attached map). Travis County is extending Slaughter Lane east from its current location to Vertex Blvd and as a second phase will extend Slaughter Lane further east to Thaxton Road. The new section of Vertex Boulevard will provide a north-south connection between the extension of Slaughter Lane and Nuckols Crossing and will provide access to the existing AISD Blazier Elementary and a future AISD Middle School site at the intersection of Slaughter Lane and Vertex Boulevard. Vertex Boulevard is classified as a Neighborhood Collector. Vertex Boulevard and associated water quality and detention facilities will be constructed to City of Austin Standards and inspected by the City of Austin.
